What is the mission of FACT?

FACT's mission is to build a community of leaders by uniting, enlightening and empowering the Filipino/Fil-Am/Non-Filipino youth nationwide. By exploring our interests, culture and identity as a rising generation, we hope that our delegates can take with them knowledge that they can apply beyond their college career as leaders in the professional world ready to give back to their community.

Why support FACT?

Your support to the FACT Conference goes beyond a simple sponsorship. By supporting this conference, you are helping to inspire and empower today's generation to be passionate and responsible leaders, who aim to shape their world, while still following their personal dreams. You are helping to build the upcoming generation.

The FACT conference allow delegates to form connections and challenges them to step out of their comfort zone so they can explore and discover their true identity through reflection and understanding.

FACT's Theme:

This year's theme is ***FUSE: For Us & Everyone***: inclusive of those beyond Filipinos and Filipino-Americans and leading everyone towards a greater sense of community. FACT 2016 aims to inspire delegates to take the initiative to strengthen bonds both within and outside their own communities. We can accomplish so much more if everyone stands together, supports each other, and moves forward as one community to address the issues we all face.

Please feel free to contact us at fact@psaiuc.org with any additional questions or you can reach either of us directly at the numbers provided below. Thank you for your time and consideration. We look forward to hearing from you soon!
